

Federal Credit Union

## Resources for Small Business Members

To our valued members, the Atlantic Federal Credit Union Commercial Lending Team is here to provide you with support and the resources you need to stay informed about the programs available to your businesses. Please know that information is being released daily, sometimes several times a day, by the Small Business Administration and the US Treasury as they are working diligently to administer the programs you need. Below are some of the current resources available through the SBA as well as the Finance Authority of Maine (FAME). For any additional questions please contact your Commercial Loan Officer directly and they will do their best to assist you. Thank you for your patience, we will get through this together. As always, we value your membership.
